Round 1: Last summer that is 2015, we have donated Algebra 1 & 2 and Geometry text books in Inticho to Inticho and Gerhu Sernaly High schools. In the picture above, I myself, Meron, Makda and Bethel Tesfayohannes from left to right in the handover ceremony the Wereda Administrator's office. My daughters work hard to get the books. We have donated 50 text books. They have also great enthusiasm to help the motherland in the future, Meron is a second year university student at University of Virginia, Bethel 9th grader and Makda 7th grader..

at

Round 2: WE also donated dictionaries and selected English books to elementary schools namely to Mebkol Elementary school (Dibere), and Azmach Merid elementary school (Shakure). We donated about 10 dictionaries and more than 50 books mainly for English learners as a second language.

The above picture shows the handover ceremony in Inticho at the Wereda Administrator's Office. This took place in March 2016. We are really grateful to Dr. Mezgebe Haile and his family transporting the books from US to Addis and we would like also to express our gratitude to Teklay Tesfahunegne Asgedom and Fikre Teshome Asgedom who transported the books from Addis to Enticho.

Round 3: This is the handover of the books in Mekelle Bureau of Education to forward the Algebra and Geometry books to Dibdbo and Mezbir high schools. Both schools are located in Ahferom Wereda. Our special thanks to Ato Tareke Gebreselassie Kahsay's family who helped us to transport the books from Addis to Mekelle.

Round 4: Arrived in Djibouti Port. Pending...

60 Special text books of Algebra and Geometry books have reached in Djibouti. Again, Dr. Mezgebe haile is transporting the books. His help is highly commendable. These books will be distributed to the rest of high schools in Ahferom Wereda. We will update you as soon as they reach to the beneficiaries
