Some of the sellers who made final deal with ASDA have sent their account information. The payment remittance is on process. After the money is deposited in their account, the equipment will be delivered to the hospital, . We are waiting for the remaining two sellers (oxygen concentrator...) to do the same. Similarly , We will buy some more Oxygen concentrators from USA, as per the Hospital request. The hospital will send us , Ethiopian Custom authority's clearance letter, Embassy's cooperation letter, and prescription letter.

attached are what we got so far- sellers payment request and Ethiopian Medical Control Authority approval letter. detail on Services menu then Online Docu- >Projects
